

# Look inside for a **Fresh start!**

## How to recycle food waste

1

Line your new food bin with the compostable bag provided.

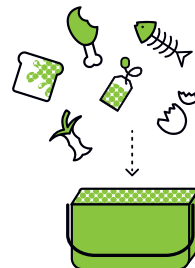

We'll deliver you more bag liners throughout the year so you don't run out.

2

Put leftovers and any other food waste in it.

If your bin has a hook, hang it inside a cupboard. If not, pop it on the counter.

3

When your little bin is full take the bag down to the big communal food waste bin.

## Give your home a fresh start

From today, you can recycle even more items at home. In a few weeks, we'll start taking old clothes and small electricals too. It's the perfect time for that post-lockdown spring clean!
